Dear Community Members

Term 3 welcome back!

Welcome back for another very exciting and active semester of learning and teaching.

If you study our Term 3 planner you will find many exciting opportunities for active learning and growth. It is a challenging program that requires hard work. However I can assure you the reward for effort will be worthwhile.

Term 3 has a focus on the curriculum areas of; The Arts, Literacy, Science, Health and Physical Education. It is a busy term and students will need parental support to ensure they are prepared for the many activities, including incursions, after school programs and excursions.

Regularly checking the attached planner is important. I suggest it be pinned in a prominent place. The fridge is a family place that most members visit regularly.

Term 3 highlights include the:

- Cross Country and Athletic Carnivals
- Edu-Dance Arts program
- Confucius Institute Martial Arts incursions
- SLAM program – Arts, Drumbeat and Self-defence
- Creative Learning Residency with Christie Sistrunk
- Book Week and the Book Fair
- Scitech after school program (3-4pm Wed)
- River Ranger Cadet Activities including the Mandurah Kids Teaching Kids Conference
- Open Classrooms & the Festival of the Arts evening (Monday 19 September)

Successful Shade Sail Grant application

The Minister for Education; Aboriginal Affairs; Electoral Affairs - Peter Collier MLC visited WSPS on Tuesday 19 July to make the welcome announcement that our school had been successful in its recent application for shade sail funding. The $20,000 grant will be used to enable a sun safe shaded play area between the library and covered assembly area.

Week 10 SLAM Drumbeat & Self-Defence Performance

Outcare Mentors Basil Carameli, Andrew Burton and Luke Carmichael lead their groups in an entertaining whole school performance.
Assembly Highlights

Congratulations to LA5 on a wonderful assembly. They sang a song and read out their poems about how to be water wise.
