By Sai Kambala, Year 3, LA 8

On Monday the 21st March, the Constable Care people came to our school. They told us how to take care of each other and to show respect to one another. The incursion was in the undercover area and just before recess. The presenters’ names were Rudie and Alisha.

Alisha acted as an alien and she came from Utopia. She had a magic remote. Alisha paused Rudie when he called out or didn’t give respect. She asked what he did wrong. Alisha had a name when she was an alien which was FRED. It is an acronym for F = FreedoM, R = Respect, E = Equality and D = Dignity.

At the end she asked us questions and we got prizes. I liked the incursion.
On Wednesday we went to Scitech. First we went on the bus and next we went to the big ball. We watched Annie and Max ‘Tilt’ and then we went to play. Then we went back on the bus. I had a good time.
