CHILDREN'S TERM PROGRAM

Inclusion 4 Life

Inclusion 4 Life

Children's Leisure Program (8-16yrs)

"Inclusion 4 Life" is a low cost, multisport activity program that aims to raise community awareness of social inclusion.

The inclusion of kids with disabilities is an integral and thriving part of a well-balanced community. We create activities and sporting sessions where family and friends can get involved and share the experience of participating together in a fun filled, yet developmental based environment.

Every week participants have the opportunity to be exposed to a new activity run by qualified coaches and assistants, which will guarantee the appropriate delivery of each session.

The program will include Soccer, Netball, Basketball, Group Fitness, Gymnastics and much more. Everyone is welcome to participate!

CLASS TIMES: 3.45pm - 4.45pm on Tuesdays

COST: \$60 per school term
